

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Membership Share, Secondary Share, and Christmas accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For HSA Share, Money Market Share, Money Market IRA, and Premier Money Market accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. HSA Share, Money Market Share, Money Market IRA, and Premier Money Market accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

**2. NATURE OF DIVIDENDS** — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. ACCRUAL OF DIVIDENDS** — For all earning accounts, dividends will begin to accrue on cash and noncash deposits (e.g. checks) on the business day you make the deposit to your account.

**5. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance

requirements applicable to each account are set forth in the Rate Schedule. For Membership Share accounts, there is a minimum daily balance required to avoid a service fee. If the minimum daily balance requirement is not met during each day of the month, you will be charged a service fee as stated in the Fee Schedule. For Membership Share accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**6. ACCOUNT LIMITATIONS** — For Secondary Share, Christmas, HSA Share, Money Market Share, Money Market IRA, and Premier Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. On Money Market Share accounts, where checks are optional, no more than three of the six remote transfers can be done by check. For Membership Share accounts, no account limitations apply.

**7. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges. An overdrawn balance must be repaid within 32 days. We may not pay items under your Overdraft Privilege if you do not maintain your account in good standing by bringing your account to a positive balance within every thirty-two (32) day period for a minimum of 24 hours, if you default on any loan or other obligation to Via Credit Union or if your account is subject to any legal or administrative order or levy.
